## SUB ZERO & WOLF

A minimum 30% deposit is required at the time of order

- Upon receiving a 30% deposit, goods will be ordered to arrive to coincide with your required date. When goods arrive for this date, they must be delivered. If delivery cannot occur, full payment is required and goods will be stored at no charge until required.

Once stock arrives in Australia, delivery and installation will be arranged

- If delivery and installation is delayed, the balance of the payment is required for E & S to hold the stock in the E & S warehouse, free of charge until the stock is required.
- If payment is not made, the stock will be made available to other customer orders and new stock will be ordered on the factory at a time based on the revised estimated date.
