

APPROVAL OF WORKING DRAWINGS
 These are the drawings from which your project is built, so you need to check them carefully.
 Please pay particular attention to:
 - Ceiling heights - Dimensions - Door size, style & swing

If an item or works does not appear on plans or in specifications, then it has not been included.
 After building works have commenced there will be extra costs involved for any changes to plans or designs.

Note: The signing of these plans will supersede all verbal and written agreements to date.
